45 DS<sup>e</sup>

10 a.m. - wind from the NW, force 4,  
125° compass, The Needles abeam

At the helm of your Moody 45DS<sup>e</sup>, with the Isle of Wight to port, you are experiencing a sensation that stems from 200 years of yachting tradition. Never before has there been a yacht like this.

The deck saloon (DS) provides superb protection when sailing on the wind. But she is also very fast. The small "e" stands for the light epoxy construction.

80° course change, sunshine!

Someone is always first. This time it's you with your Moody 45 DS<sup>e</sup>. Your Moody combines high-tech features and fun for the whole family with excellent sailing and comfort. The journey around the Isle of Wight is way too brief to explore all of the extraordinary features aboard the Moody 45 DS<sup>e</sup>.

Never before have you felt so secure on a yacht. The continuous bulwark offers all round protection.

4 p.m. Drop the anc

hor, it's time to swim!

To discover for yourself the unique concept of the Moody 45DSE, simply open the saloon's sliding doors: One level instead of having to dive below deck. Attention to detail, like the spacious storage compartments, pop-up TV and the fiddles and handrails is everywhere. Even with the crew having fun outside there is still the opportunity to enjoy some peace and quiet in the deck saloon. The deck saloon also houses the navigator's seat at the chart table, with plenty of space for leisurely passage planning.

The day after -  
Moored in Coves

The crew have printed photos.  
What wonderful memories!

# First Floor

## The Saloon

Chart table and plotter on port side, a corner sofa and adjustable stools at the dinner table – not to mention the lighting! You can see everything unfolding in the saloon of your Moody 45 DS<sup>e</sup>.

Sailing is not a trend, not just fashion  
– it's a way of life.

Does freedom call to you? Water is the element that promises unrestricted, undulating freedom. Are you drawn by life's temptations?

## You get to choose:

You choose everything from the upholstery, the wood for the interior, the curtains and even the leather cushions, ensuring that no two Moodys are alike.

**The Galley**

The three burner gimbale stove, a refrigerator and work surfaces are all found alongside the saloon and cockpit.

**Navigation**

With the Moody 45 DS<sup>e</sup> you can get your bearings without being subjected to the elements. Comfortable sailing in every kind of weather.

At your private villa, your city loft and at your vacation house in the sun, you feel at ease. You've always been drawn to the water, eating breakfast at the pool side or going down to the water to have a drink at sun down. Wouldn't it be fitting to be on the patio of your own beach house that will take you anywhere?

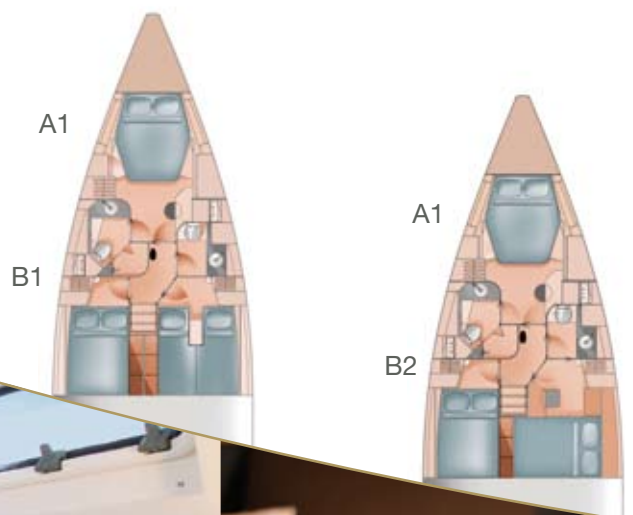

# Master Suite

Fresh as the breeze, as infinite as the sea, the appeal of a boat is simply timeless.

Home sweet home. That's easy to say about a yacht but incredibly hard to accomplish. We won't try to deceive you, even the world's largest and most beautiful yachts are always a compromise. Such yachts are limited to a few select marinas due to their size, but with the Moody 45 DS<sup>e</sup>, you may go where you wish, take your apartment with you, and turn a few heads in the process.

## Your Suite

Owners are allowed to be demanding. Need space and love having loads of daylight below deck? You have it!

**In the Bathroom**

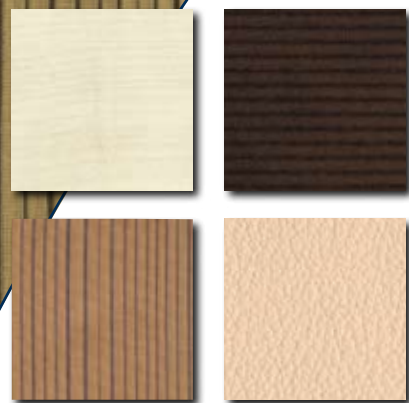

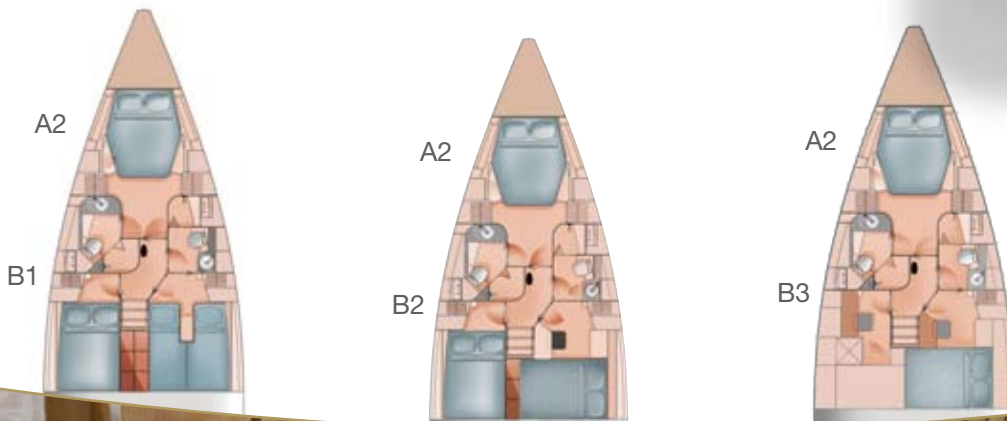

Mahogany or cherry? You may choose the bathroom color as well. It should be easy, you know what you like.

It is a simple calculation: Because every Moody 45 DSE is unique, the same applies below deck. Simply by choosing from several different upholstery options and deciding on one of the many wood furnishings, the possible number of combinations is increased.

**In the Owner's Suite**

These are the details that make all the difference in the end, including a private office with a leather padded seat.

**The Surface**

It's always been the secret of yacht designs. Whether glossy or slip-resistant, once again you get to choose the materials and trim.

# You've reached your destination.
